On becoming a Junior Member of New College:

In consideration of being accepted as, and on formally becoming a Junior Member of New College on Matriculation, I agree with the Warden and Fellows and hereby confirm by my signature below:

- a. that I accept and will conform to the College Regulations, a copy of which I have perused on the College website, both in the present form and as they may be changed from time to time (an updated copy being supplied to me at the start of each academic year of my course of study);
- b. that I accept the College's rules on plagiarism: all my work for my degree will be my own and I will not assist others in any academic dishonesty (for example by writing 'essays for hire'). I will not make use of any unfair means in examinations (whether public examinations or College collections). I have read the University's policy 'University of Oxford Good Academic Practice' to be found at <http://www.new.ox.ac.uk/deans-handbook>. If I do not understand any aspects of the policy or of these rules then I will seek guidance from the College.
- c. that, in the event of my having any debt with New College for University fees, accommodation or any other item incurred on battels, I will be liable, on notification from the Bursar, to pay an interest charge of 5% above the National Westminster Bank plc base rate prevailing from time to time, and also an administrative charge at a figure to be determined from time to time, such interest to run, and such charge to take effect, from the time when I should have settled my battels or from such later time to which I may agree with the Bursar that payment may be postponed;
- d. that I note and accept, in the event of any charges for College accommodation not being paid by the end of a given Term, and in the absence of any special arrangement reached with the Bursar, I will no longer be able to remain in College accommodation the following Term;
- e. that I note and accept, in the absence of any special arrangement reached with the Bursar concerning the non-payment of battels, New College will, if necessary, recover through legal proceedings any debts which remain after I have completed (or withdrawn from) my course of study;
- f. that I accept and will conform to the detailed regulations concerning the use of the College Library and, specifically, I note and accept that defacing, damaging, or stealing books and journals could lead to expulsion from New College and the termination of my course of study at the University of Oxford; and
- g. that I accept and agree that I will not use New College computing facilities, including College links to the internet, to disseminate any material which might be defamatory (i.e. damaging to the reputation) of any individual or corporate body, and not to transmit or receive any material which might be classified as obscene or pornographic under relevant UK legislation.
