

## New College – September 18th 2020 Open Day

Unfortunately, due to the continuing limitations of the COVID 19 pandemic, we are unable to welcome prospective students to our College site.

However, New College will be running a series of sessions all day, including online chats with current students and tutors, live Q&As with our students, and subject-specific sessions with some of our tutors.

Details of all of our online events can be found below.

We look forward to speaking with you. Please ask as many questions as you want and enjoy your day!
