Beautifully designed, and printed on Mohawk Superfine Ultra White paper, this book is illustrated with a fascinating range of photographs. Commemorating the tenth anniversary of his death, our book focuses on the lives and anti-racist activism of an extraordinarily symbiotic married couple—Professor Sir Michael Dummett and his wife, Ann Dummett. Michael was Wykeham Professor of Logic at New College. But this book is not primarily concerned with Michael’s role as a renowned philosopher—rather, it explores his and Ann’s remarkable approach to race and immigration, and their fearless activism.
