Richard Zouche

Fallacy / The Sophister

(c.1614)

A Wykehamist Play

Edited by William Poole

This is the first edition in modern times of a little-known Jacobean play by Richard Zouche (1590–1661), written most probably while he was a young fellow of New College, Oxford. The play survives in two texts, a manuscript version called *Fallacy* (c. 1614), and a printed text titled *The Sophister* (1639), the latter being a substantial revision of the former. This edition presents *Fallacy* in a fully edited form, followed by a facsimile of *The Sophister*, taken from the copy held in New College Library, Oxford. Substantial introductory and textual materials are also supplied.
