POLICY DOCUMENT

Smoking Policy

Smoking Policy

In accordance with the law all New College buildings and enclosed spaces are non-smoking.

Implementation

1. The primary objective is to ensure that staff can pursue their work activities at the College free from the hazards of tobacco smoke.
2. All areas of the College including bedrooms, common rooms and offices are non-smoking.
3. Smoking will be permitted in designated areas in the College grounds as shown in the map below:
 - Main College site – at the bottle recycling area along the Slype; in the Gardens as indicated.
 - Sports Ground – at the refuse area but not within 5 metres of the residential buildings or Pavilion.

Notices

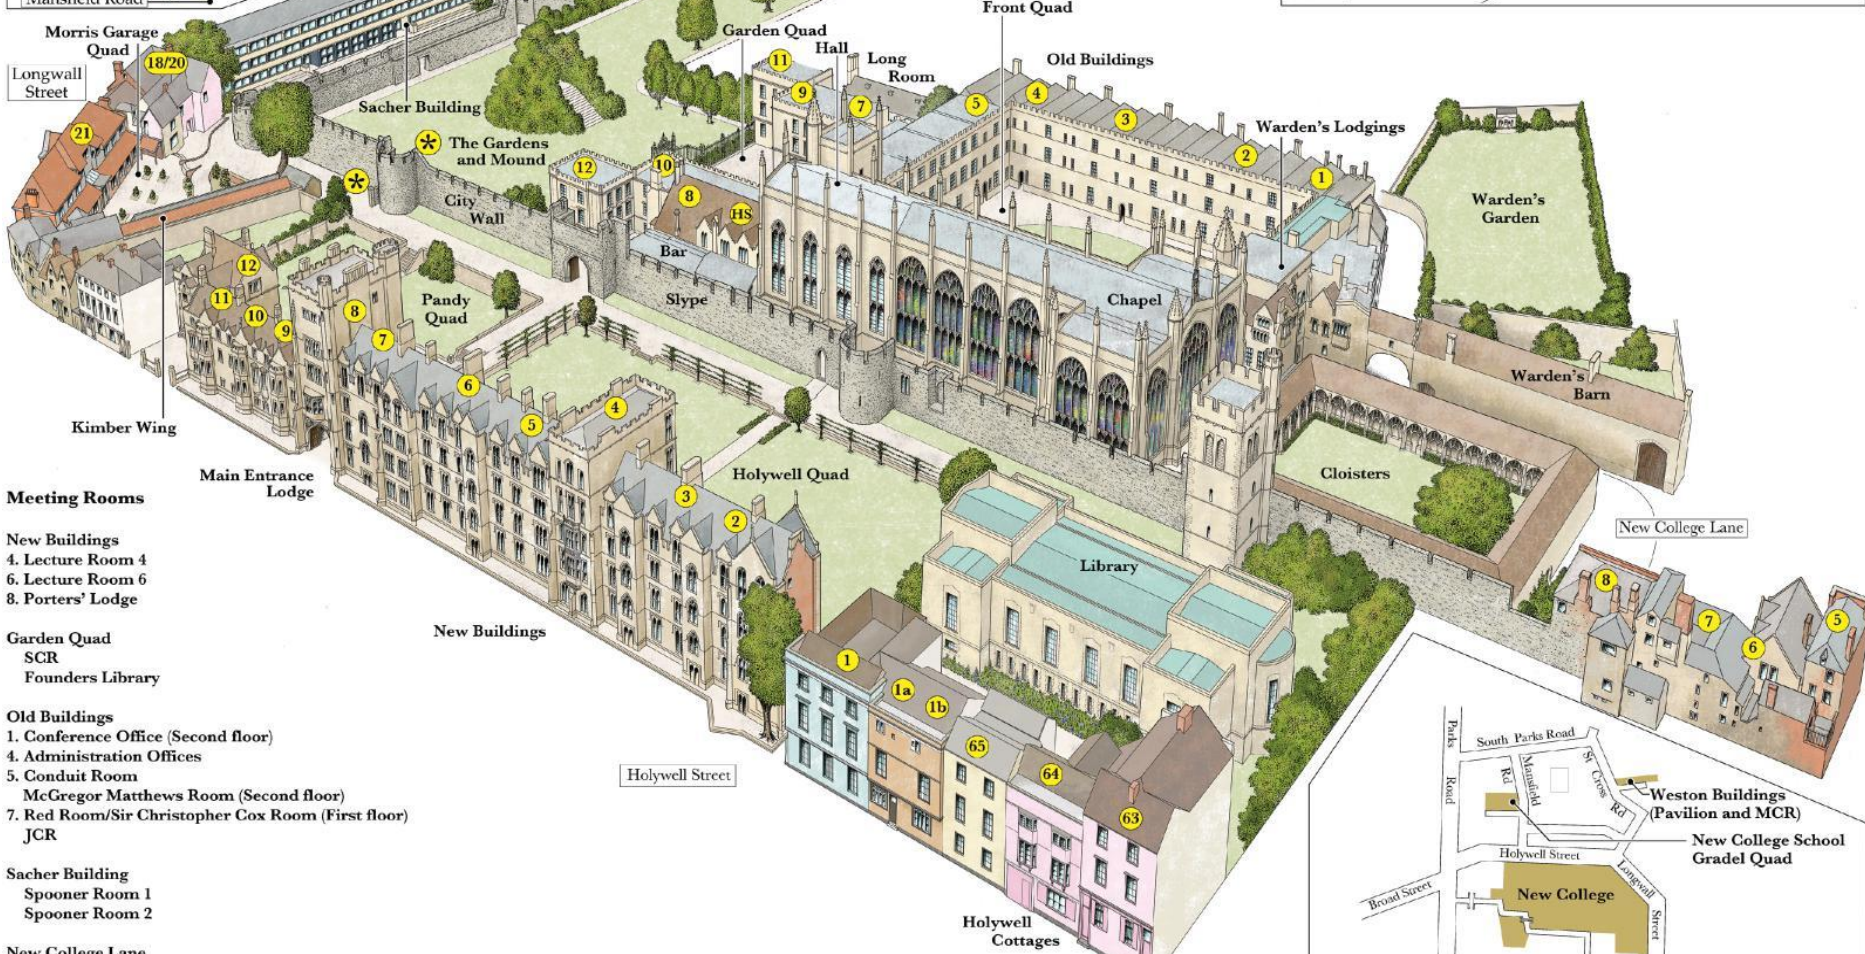

The appropriate no smoking notices will be displayed in accordance with legislation.

From **1 July 2007** there will be no specific breaks given for smoking.
