

## New College - Open Day 16th September 2022

Open Days provide you with a great chance to meet current students and staff, and really get a feel for the College yourself.

New College will be open from 10:00-16:00, with current students leading guided tours and available to answer questions.

Please could all visitors to New College come to the Visitors' Entrance on New College Lane, not to the delivery entrance on Holywell Street.

If you would like to attend a subject talk, please ensure that you arrive 10 minutes before the start of your session. Our volunteers will be holding up subject signs and will take you to the correct room.

Details of all the subject talks being offered in College can be found below, as well as a tour of the Clore Music Studios - our fantastic music practice facilities.

We look forward to welcoming you to New College. Enjoy your day!

## 16th September
