# 1. WHAT DOES IT COST AND HOW DO I PAY?

---

## 1.1 UNIVERSITY TUITION FEES

For fees purposes undergraduates are classed as Home/EU, Islands or Overseas. Your classification depends on your nationality and certain residence conditions, and the definitions used by the University are given in Appendix I of the Examination Regulations. If you are unsure of your classification more details are available at [www.ox.ac.uk/students/fees-funding/fees/status](http://www.ox.ac.uk/students/fees-funding/fees/status).

### Home/EU

Home and EU students are currently charged the same rate of university fees (£9,250 in 2018/19). University fees will usually increase annually. For both Home and EU undergraduate students, tuition fees are currently subject to a governmental fee cap and will not increase above the level of the fee cap, which is subject to annual review. In deciding the annual level of increase, the University will take into account a range of factors, including rises in the costs of delivering the programme and changes in government funding. You can read further information on these annual increases on the University website at [www.ox.ac.uk/students/fees-funding/fees/changes-fees-and-charges](http://www.ox.ac.uk/students/fees-funding/fees/changes-fees-and-charges).

### Islands (Channel Islands and the Isle of Man)

For 2018/19 the tuition fee for students from the Channel Islands and the Isle of Man is £9,250 (with the exception of Clinical Medicine students, for whom the fee will be significantly higher). Contact your island's education department for more information on funding arrangements:

- Jersey: [www.gov.je/education](http://www.gov.je/education)
- Guernsey, Alderney and Sark: [www.education.gg](http://www.education.gg)
- Isle of Man: <https://www.gov.im/categories/education-training-and-careers>

### Overseas (other than EU countries)

International students pay a fee rate that differs according to the course they are enrolled on. Rates for the 2018/19 academic year can be found at [www.ox.ac.uk/students/fees-funding/fees/rates](http://www.ox.ac.uk/students/fees-funding/fees/rates). Overseas students also pay a college fee (see section 1.2 for more information). The fees, funding and scholarship search, available at [www.ox.ac.uk/students/fees-funding/search](http://www.ox.ac.uk/students/fees-funding/search), lists both these sets of fees.

University and college fees will usually increase annually. In deciding the annual level of increase, the University and colleges will take into account a range of factors, including rises in the costs of delivering the programme and changes in government funding. You can read further information on these annual increases on the University website at [www.ox.ac.uk/students/fees-funding/fees/changes-fees-and-charges](http://www.ox.ac.uk/students/fees-funding/fees/changes-fees-and-charges).

### 1.1.1 HOW DO I PAY?

#### Home/EU students

Home and EU students completing their first degree can take out a UK government tuition fee loan up to the full value of the fee rate for the academic year, i.e. £9,250 for 2018/19.

If you choose to pay the fee yourself, your tuition fees will appear on your battels statement which is sent to you by your college at the beginning of the academic year. You will need to make arrangements to pay this fee in accordance with the payment deadlines detailed in section 1.1.3.

#### International/non-publicly funded Home or EU students

If you are not eligible to take out a tuition fee loan (i.e. you are an International student or a Home/EU student completing a second undergraduate degree) then the full balance of your tuition fees will appear on the battels statement from your college. You will need to make arrangements to pay this fee in accordance with the payment deadlines detailed in section 1.1.3.

### 1.1.2 PAYMENT METHODS

Payment can be made by cash, cheque, or card. Please see 1.3.1. International Students can pay via Western Union Global Pay.

### 1.1.3 WHEN DO I NEED TO PAY BY?

As stated in Appendix I, Regulations on Financial Matters of the current Examination Regulations available at <https://www.admin.ox.ac.uk/examregs/> 'The Annual University fees shall be paid on or before the seventh day of Michaelmas Full Term'. Please ensure that if you are liable for the payment of your fees, you have paid them by **Friday 12 October 2018**.

### 1.1.4 WHAT HAPPENS IF I DON'T PAY?

If you have not paid your fees in full by **Friday 12 October 2018** and you have not made an agreement with the college to pay in instalments, you are liable for suspension from access to the premises and facilities of the University. You will be notified of your liability for suspension and from the notification date you have a further four weeks in which to pay your fees. If within that time period you do not make arrangements to pay your fees in full or in instalments, you will be suspended until such a time as your fees have been paid.

## 1.2 COLLEGE FEES

A college fee is payable by International undergraduate students. Home and EU undergraduate students, and Islands undergraduate students who started their course after August 2014, are not liable for a college fee. Those students wishing to pay their fees upfront should contact their college for more information on how to establish their fee status.

The undergraduate college fee, for International undergraduates for the 2018/19 academic year is £7,570.

The methods for and timing of the payment of the College fee are as for the University fee set out above in paras 1.1 to 1.3. The penalty for non-payment follows the same process as in 1.1.4 above.

## 1.3 BATTELS

Battels are bills sent to college members at the start of each term, listing the charges payable to the college. Depending on your circumstances, your battels can cover accommodation and catering charges for the coming term. They can also include charges or credits for other services from the previous term and vacation, such as vacation residence, college meals, JCR fees, photocopying and other small charges. The first battels of the academic year is sent in Michaelmas Term and may also include tuition and college fees if you are liable to pay these.

### 1.3.1 HOW AM I INVOICED AND HOW AND WHEN DO I PAY?

You will receive your battels to your email inbox during 0th week of each term.

Cheques should be made payable to 'New College'. Cheques may be left in the letterbox outside the Bursary at any time, or posted in the internal mail.

Cash payments under £3000 may only be made in person at the Bursary (Front Quad, 4 Old Buildings) during opening hours which are 09.30 to 12.30 and 14.15 to 15.30.

Payment can be made online at the Meal and Payment website <http://food.new.ox.ac.uk>. Enter your SSO details to log in. Click on 'Fees and Charges' then enter your payment details.

We also offer the option of paying Battels via Western Union Globalpay for Students. For further information and a quote for battels and fees due in your local currency please see link <https://student.globalpay.wu.com/geo-buyer/newcollege>

If you have any queries then please email [student.finance@new.ox.ac.uk](mailto:student.finance@new.ox.ac.uk)

### 1.3.2 WHAT HAPPENS IF I DON'T PAY?

Any Junior Member who has an outstanding Fee debt at Noon on the Friday of 1<sup>st</sup> Week, and who has not seen the Bursar or emailed the Bursary to agree a timetable for settlement of this debt, will be required to pay an administrative charge of £5 and will be barred from further credit facilities within College. Further payments will be imposed if Battels are still outstanding at Noon on Friday of 2<sup>nd</sup> Week.

## 2. WHAT FINANCIAL SUPPORT IS AVAILABLE TO HELP FUND MY STUDIES?

### 2.1 UK GOVERNMENT SUPPORT

Mainstream government funding has two parts: loans for fees (for Home/EU students) and loans for maintenance (Home students) or non-repayable maintenance grants (for some Home students). You must apply for **every** year of your course. It is your responsibility to ensure that you apply early and we recommend no later than the Easter Vacation before the start of the next academic year. Home/EU students must apply to the following regional funding agencies:

**England:** Student Finance England (SFE) - [www.gov.uk/student-finance](http://www.gov.uk/student-finance)

**Northern Ireland:** Student Finance NI - [www.studentfinancenir.co.uk](http://www.studentfinancenir.co.uk)

**Scotland:** Student Awards Agency for Scotland (SAAS) - [www.saas.gov.uk](http://www.saas.gov.uk)

**Wales:** Student Finance Wales (SFW) - [www.studentfinancewales.co.uk](http://www.studentfinancewales.co.uk)

**EU:** Student Finance Services Non UK - [www.gov.uk/apply-for-student-finance](http://www.gov.uk/apply-for-student-finance)

#### 2.1.1 TUITION FEE LOAN

Tuition fee loans are available to all Home and EU students completing their first undergraduate degree. For Home students, requests for this loan are made when applying for any maintenance funding by applying online via the website for your region (see section 2.1).

EU students need to fill in a **EU18N** form and return it to the Student Finance Services Non UK Team. Forms and contact details can be found by visiting [www.gov.uk/apply-for-student-finance](http://www.gov.uk/apply-for-student-finance). Please note that if you apply for a tuition fee loan, you will automatically be sent a **EU18B** form to complete if you would like to be means tested for an Oxford Bursary (see section 2.2).

#### How do I receive the tuition fee loan?

If you have already completed the application process for a tuition fee loan and received a financial notification confirming the approved amount, you just need to register as a student with the University at the start of the academic year. You will receive further information regarding how and when to complete the online registration process from the Student Information Team. Once you have registered, the Student Loans Company (SLC) will make payment directly to the University to cover your fees.

#### What if I haven't made an application yet?

If you are eligible for a tuition fee loan but have not yet made an application you are able to do so via the methods mentioned above up until the end of May. If you have already paid your fees but would like to take out a tuition fee loan instead, or if you are applying for a loan late, please contact your college to discuss this. The college can access a database of information about those who have made an application to the SLC for a tuition fee loan; those students not on the database will be charged for their fees.

**I requested the wrong loan amount. Can I change this?**

If you wish to alter the amount of tuition fee loan you have requested, then you should be able to do this using your online Student Finance or SAAS account. In some circumstances this is not possible, in which case you should contact your regional funding agency by telephone for advice.

**2.1.2 MAINTENANCE LOANS**

Maintenance loans are only available to Home students. The maximum loan is dependent upon your regional funding body and your household income (HI). All publicly funded Home students studying for their first degree are eligible for a percentage of this loan, regardless of their HI; the remainder is means tested on the basis of your HI.

The income thresholds determining the support to which you are entitled differ by UK region. For information on the income thresholds for your area, please visit your region's website.

**How do I receive my maintenance loan?**

If you have already completed the application process for a maintenance loan and received a financial notification confirming the approved amount, you just need to register as a student with the University at the start of the academic year. You will receive further information regarding how and when to complete the online registration process from the Student Information Team.

Once you have registered, your loan will be paid directly into your bank account following the first day of term for your course (please allow three to five working days). Loans are paid in three instalments and information about the exact payment dates can be found on your financial notification.

**I have registered but still haven't got my loan. What do I do?**

If you have still not received your loan despite having registered, please email [fees.clerk@admin.ox.ac.uk](mailto:fees.clerk@admin.ox.ac.uk). Where possible, please include your *Customer Reference Number*.

**What if I haven't made an application yet?**

If you are eligible for a maintenance loan but have not yet applied for this, you are still able to do so via the methods described above up until the end of May. Please note if you have not applied for a maintenance loan you are unlikely to receive any payments until after the start of term.

**I didn't request the full loan. Can I access more loan?**

Yes. You will need to fill in a further maintenance loan request form which can be obtained by contacting your regional funding agency.

**What if my financial circumstances change during the year?**

Student finance applications for 2018/19 are usually assessed on household income for the 2016/17 tax year. If you are from England and your income is likely to drop by at least 15% you can complete a current year income (CYI) assessment form (<https://www.gov.uk/apply-for-student-finance/household-income>). If you intend to complete a CYI form you must first give your 2016/17 tax year information as part of your student finance application. Students from other regions of the UK should contact their funding agency about this.

### 2.1.3 NON-REPAYABLE MAINTENANCE SUPPORT

Non-repayable maintenance support is only available to certain publicly funded Home students from Northern Ireland, Scotland and Wales, and you need to have been financially assessed. Each region decides on its own grant amounts and household income thresholds relating to this. You can find information regarding the name of the non-repayable maintenance support, the maximum amounts available and the related household income thresholds below (Table 1).

Region	Max. Value	Household income thresholds
<b>Northern Ireland:</b> Maintenance Grant	<b>£3,475</b>	£0 - £19,203 = max grant £19,204 - £41,065 = partial grant
<b>Scotland:</b> Young Students' Bursary	<b>£1,875</b>	£0 - £18,999 = max bursary £19,000 - £33,999 = partial bursary
<b>Wales:</b> Welsh Government Learning Grant	<b>£8,100</b>	£0 - £18,370 = max grant + £900 loan £18,371 - £50,020 = partial grant + equivalent loan to total £9,000

TABLE 1: 2018/19 NON-REPAYABLE MAINTENANCE SUPPORT FOR UK STUDENTS

#### How do I receive my grant/bursary?

Maintenance grants are paid into your bank account at the same time as your maintenance loan and similarly are paid in three instalments.

#### What if I haven't made an application yet?

If you are eligible for non-repayable maintenance support but have not yet made an application, you are able to do so via the methods described in section 2.1 up until the end of May. The same online application form is used to apply for maintenance loans, maintenance grants and the tuition fee loan. Again, please be aware that if you have not yet applied for a maintenance grant you are unlikely to receive any payments until after the start of term. Any parents or sponsors in your household will also need to register with the relevant funding agency to provide information on their income.

## 2.2 OXFORD SUPPORT

### 2.2.1 OXFORD BURSARIES

The Oxford Bursary scheme provides maintenance support for UK and EU students from lower income households. If you are assessed as having a household income of £42,875 per year or less and you are studying for your first undergraduate degree, you are likely to be eligible for a bursary at the levels below (Table 2).

Household income	Annual Bursary
<b>£16,000 or less</b>	£3,700
<b>£16,001 - £20,000</b>	£2,700
<b>£20,001 - £22,500</b>	£2,500

£22,501 - £25,000	£2,200
£25,001 - £27,500	£1,700
£27,501 - £30,000	£1,400
£30,001 - £32,500	£1,100
£32,501 - £35,000	£1,000
£35,001 - £37,500	£800
£37,501 - £40,000	£600
£40,001 - £42,875	£200
£42,876 +	£0

TABLE 2: 2018/19 BURSARY LEVELS FOR UK AND EU STUDENTS

## 2.2.2 APPLICATION PROCESS

### How do I apply for an Oxford Bursary?

There is no application form but students must be financially assessed in their application for UK government funding through their regional funding agency.

EU students can be assessed for a bursary provided they have submitted a tuition fee loan application form (a loan of zero can be requested) and been financially assessed by the Student Finance Services Non UK Team. Students will automatically be sent a bursary application form by Student Finance inviting them to complete a financial assessment following receipt of their tuition fee loan application. EU students are usually assessed only once at the start of their course; if a student's household income has decreased by at least 15% they can contact Student Fees and Funding at [bursaries@admin.ox.ac.uk](mailto:bursaries@admin.ox.ac.uk) to request a reassessment.

Students from England do not need to take out a maintenance loan in order to be eligible for the Oxford Bursary, but they must still be means tested by Student Finance England. In order to do this they must apply for the higher amount of maintenance loan, but then specify a loan amount of zero when prompted. Alternatively, students can reduce their loan online after their application is completed. For further advice regarding this process please contact the Student Fees and Funding team at [bursaries@admin.ox.ac.uk](mailto:bursaries@admin.ox.ac.uk).

The University uses your financial assessment information in order to calculate any bursary entitlement. In order for us to access this information, both you and your sponsors need to have given consent for this on your student finance application.

If you have a provisional assessment status on your financial notification or if your application has not yet been approved you should contact your regional funding agency to find out why this is the case. A financial assessment must be approved before an Oxford Bursary is awarded but there may be a valid reason for a household income remaining provisional, such as it being a current year income assessment for self-employed sponsors. It is important to keep the University updated of reasons why an assessment has not yet been finalised.

**I have made a financial support application already and I don't think I/my sponsors gave consent for you to view our information.**

If you think this may be the case, then you need to make sure that whoever you believe has not given consent contacts the SLC (for English, Northern Irish, Welsh and EU students) on 0300 100 0612 or SAAS (for Scottish students) on 0300 555 0505. It may be that you and each of your sponsors need to contact the SLC/SAAS individually.

If you contact the SLC/SAAS from October onwards to give permission for us to view your financial information, please also email Student Fees and Funding at [bursaries@admin.ox.ac.uk](mailto:bursaries@admin.ox.ac.uk) to let us know. We will check to see if there are any other problems preventing us from viewing your household income if we are unable to access your information following permission being given.

**When and how do I find out about my bursary entitlement?**

Letters confirming bursary awards will be sent out to students on a rolling basis from mid-September onwards. In your first term, letters will be sent to the correspondence address you have registered with the SLC/SAAS. Once your Oxford email account has been activated you will usually receive correspondence by email. If you believe you qualify for an Oxford Bursary but have not heard from us by the end of September, we might not have permission to view your information. Please contact the SLC/SAAS as directed above.

Your Oxford support entitlement letter will contain all necessary information regarding the bursary you have been awarded, the method of payment and weeks of payment. Please note that we do not send letters to those students who are not entitled to an Oxford Bursary.

It is important that you complete and return your student contract as soon as possible as any bursary payment cannot be made until this has been processed by your college and the University Card Office.

**Is there a deadline for bursaries?**

Your financial assessment must be completed by 30 May 2019. If your financial assessment is likely to be subject to a delay beyond this date, and you think you may qualify for a bursary, you must email [bursaries@admin.ox.ac.uk](mailto:bursaries@admin.ox.ac.uk) before the deadline.

### **2.2.3 MORITZ-HEYMAN SCHOLARSHIP PROGRAMME**

From 2018-entry, all new first year UK resident students with a household income of £16,000 or less, studying for their first undergraduate degree, will be selected to receive a Moritz-Heyman Scholarship ([www.ox.ac.uk/mh](http://www.ox.ac.uk/mh)). The Scholarship provides a £3,700 bursary for each year of your course, an annual tuition fee reduction of £3,000 plus access to support in identifying opportunities for internships or work experience.

There is no application process for these scholarships, however you must be financially assessed in your application for government funding and give consent for the University to access this information. If you have any queries about the Moritz-Heyman Scholarship Programme please email the Scholarship team at [mh@admin.ox.ac.uk](mailto:mh@admin.ox.ac.uk).

## 2.3 US AND CANADIAN LOANS

US federal student loans are administered centrally by the US Loans team. The University of Oxford is eligible to certify loan applications for the Direct Loan Program. US students wishing to take out a federal student loan **must** read through the information pages on the University website before starting the application process.

Further information for undergraduates:

American loans - [www.graduate.ox.ac.uk/usloans](http://www.graduate.ox.ac.uk/usloans)

Canadian loans: [www.ox.ac.uk/admissions/graduate/fees-and-funding/loans/other-loans](http://www.ox.ac.uk/admissions/graduate/fees-and-funding/loans/other-loans)

If you have further enquiries about the application process, the administration of loans, or any loan you have taken out, please contact [us.loans@admin.ox.ac.uk](mailto:us.loans@admin.ox.ac.uk)

## 2.4 COLLEGE FUNDS

### **Nicoll Bursary**

A grant of £50 in each year of study is available for each undergraduate studying Fine Art. This award will be made automatically at the beginning of Hilary Term.

### **Study Grants**

Some £4,000 per annum is dispersed in the form of individual grants of up to £150 each. A notice is displayed at the beginning of Hilary Term and the relevant application form is available from the PA to the Bursar, for return by mid-February. It is advisable to apply early, although 'late comers' are dealt with in a second round in Trinity Term (if the kitty is not empty by then!). There are strict criteria – please read carefully the notes which accompany the application form.

### **Vacation Residence Grants**

A limited number of days' residence during vacation will be paid by the College. Details are available from the Tuition Office in 4OB and from the College website. Similarly, for those students who stay up in vacation or return to college to assist with Open Days and/or the Admissions process, the College will pay certain costs.

### **The Sir Duncan Watson Bequest**

This is for undergraduates and postgraduates facing financial hardship. Some £3500pa is available for students in the Humanities and Social Studies (excluding Management Studies but including Mathematics). See Bursar.

### **Reynolds Legacy**

Special funds for undergraduates and postgraduates in Modern Languages or Modern History. See relevant Tutor.

### **Student Support Fund**

Any student can apply to the Fund by completing the appropriate form when sent out in Hilary Term. Grants from the Fund of between £100 and £1,500 will be awarded on an annual basis at the start of Trinity Term.

### **Emergency Assistance:**

In very exceptional circumstances, a Committee will consider applications for financial aid where all other potential sources of assistance have been tried. Undergraduates and graduates should approach the Bursar in the first instance. Financial help comes from the Students Financial Aid Fund within the New College Development Fund, as contributed to by Old Members (alumni) of College.

## **3. TARGETED FUNDING AND EXTRA SUPPORT**

---

### **3.1 STUDENTS WITH CHILDREN OR DEPENDANTS**

If you have dependants (a partner or child) or live with other family members, you will need to take into consideration the increased costs of childcare provision, food, clothing etc. More information and advice is available from the living costs page at [www.ox.ac.uk/students/fees-funding/living-costs](http://www.ox.ac.uk/students/fees-funding/living-costs). A number of additional sources of childcare funding are available, for further details visit [www.admin.ox.ac.uk/childcare/feesandfunding](http://www.admin.ox.ac.uk/childcare/feesandfunding).

### **3.2 STUDENTS WITH DISABILITIES**

Students with disabilities should contact the University's Disability Advisory Service for information on any funding available. Contact details and more information about the provisions and facilities for students with disabilities can be found on the University website at [www.ox.ac.uk/students/welfare/disability/needs](http://www.ox.ac.uk/students/welfare/disability/needs).

## 4. WHAT HAPPENS IF...

### 4.1 ...I EXPERIENCE FINANCIAL DIFFICULTIES?

There are resources available to help students who experience financial difficulties, and the colleges and the University are sympathetic to the increasing costs that everyone faces. However, there are some basic rules that apply to all students:

<b>UK</b>	If you are a <b>UK</b> student, are you in receipt of everything that is available to you through your funding body?
<b>EU</b>	If you are an <b>EU</b> student, did you ensure that you would have sufficient funds to cover your maintenance costs before you came to Oxford?
<b>OVERSEAS</b>	If you are an <b>Overseas</b> student, did you ensure that you would have sufficient funds to cover all costs before you came to Oxford?

These sorts of questions will be asked before you can apply for further assistance from the college or the University.

If you would like to discuss your application for any of these funds, or you wish to discuss your financial situation in general, you can contact the Bursar, via his office on 01865 (2)79549, [sheena.hinton@new.ox.ac.uk](mailto:sheena.hinton@new.ox.ac.uk) or [tracy.curtis@new.ox.ac.uk](mailto:tracy.curtis@new.ox.ac.uk) 01865 (2)79550, or in person in the Bursar's office – first floor of 4OB.

#### 4.1.1 ACCESS TO LEARNING FUND

The Access to Learning Fund is based on national guidelines and is designed to provide financial assistance to Home students who experience financial hardship. This includes both enrolled and suspended students. The maximum award a student can receive in an academic year is £2,500. Undergraduates are able to apply for support for term time and short vacations only.

#### Who is eligible to make an application?

Students with a 'Home' fee status can apply to the fund. Students from the Channel Islands and Isle of Man are ineligible for support. For further information on how your fee status is determined please refer to section 1.1.

#### How do I make an application?

Applications for 2018/19 will be accepted from **8 October 2018 (MT0)** until **Friday 28 June 2019 (TT9)**. A hardship application form and guidance can be obtained from college or by emailing [student.funding@admin.ox.ac.uk](mailto:student.funding@admin.ox.ac.uk). Please note that applications to the Access to Learning Fund and the University Hardship Fund are made through a single hardship application form.

#### 4.1.2 UNIVERSITY HARDSHIP FUND

The specific remit of the University Hardship Fund is to assist students experiencing **unforeseen financial difficulties**. This means that a student's financial circumstances will need to have unexpectedly changed

after the student has commenced their studies. A committee makes decisions termly and allocates grants, interest free loans or a combination of both. The maximum award is £5,000 and awards of this level are usually a combination of a grant and a loan.

### **Who is eligible to make an application?**

The University Hardship Fund aims to assist students of any fee status who experience unexpected financial difficulties due to circumstances which could not have been predicted at the start of their course. However, students must have already applied for college support and will first be considered for the Access to Learning Fund if eligible.

### **How do I make an application?**

A hardship application form and guidance can be obtained from your college or by emailing [student.funding@admin.ox.ac.uk](mailto:student.funding@admin.ox.ac.uk). Please note that applications to the Access to Learning Fund and the University Hardship Fund are made through a single hardship application form.

## **4.1.3 OTHER UNIVERSITY FUNDING SCHEMES**

Details of other University funding schemes may be found on the University's student website at [www.ox.ac.uk/students/fees-funding](http://www.ox.ac.uk/students/fees-funding).

## **4.1.4 COLLEGE HARDSHIP FUNDS**

See 2.4 for details.

## **4.2 ...I HAVE A YEAR ABROAD AS PART OF MY COURSE?**

If you have a year abroad as a compulsory part of your course, there are a number of differences in fees and financial support that you will need to consider.

### **4.2.1 FEES**

You will be able to check your year abroad University tuition fee rate on our website at

[www.ox.ac.uk/students/fees-funding/fees/abroad](http://www.ox.ac.uk/students/fees-funding/fees/abroad).

All first degree Home/EU undergraduate students are eligible to access a tuition fee loan to cover the full amount of their tuition fee and do not need to pay any costs upfront. Moritz-Heyman Scholars will not be eligible to be assessed for any tuition fee reduction (see section 2.2.3) from Oxford on their year abroad.

Overseas students pay a different year abroad fee, with details available from

[www.ox.ac.uk/students/fees-funding/fees/abroad](http://www.ox.ac.uk/students/fees-funding/fees/abroad).

## 4.2.2 ENTITLEMENT TO UK GOVERNMENT SUPPORT

Your entitlement to UK government support is dependent upon the activities undertaken during your year abroad and whether you will be undertaking paid or unpaid activities. It is recommended that you check your entitlement with your regional funding body.

## 4.2.3 ADDITIONAL FUNDING FOR ERASMUS STUDENTS

Students who elect to take part in Erasmus schemes may be eligible to receive an additional grant towards the costs of living abroad and should contact their department for more information on how they would qualify. For further information on the Erasmus scheme in general, including involvement after the UK leaves the European Union, visit [www.ox.ac.uk/erasmus](http://www.ox.ac.uk/erasmus).

## 4.2.4 FACULTY OF MODERN LANGUAGES FUNDS

The Modern Languages Faculty provide some support to students on their year abroad in the form of the Year Abroad Grant and the Year Abroad Travel Hardship Fund. More information about these funds and application forms can be found at:

<https://weblearn.ox.ac.uk/portal/hierarchy/humdiv/modlang>.

## 4.3 ...I SUSPEND MY STUDIES OR WITHDRAW?

If you are a UK/EU student receiving financial support from the government and choose to suspend your studies for any length of time or withdraw from the course altogether, you will need to inform your regional funding agency.

### 4.3.1 IMPACT ON YOUR TUITION FEE LOAN

Any tuition fee loan amount will be adjusted automatically by the University but may not appear as expected on your Student Finance entitlement letter. This is because the tuition fee income the University receives from the SLC is not released to the University in three equal instalments. For more information on your tuition fee liability, please email [fee.schedule@admin.ox.ac.uk](mailto:fee.schedule@admin.ox.ac.uk).

### 4.3.2 IMPACT ON YOUR MAINTENANCE FUNDING

The University will inform the Student Loans Company (SLC) of your change in student status. The amount of government maintenance support you are eligible to receive will vary depending on the date you suspend. Your regional funding agency (e.g. Student Finance England) will reassess your entitlement and send an updated entitlement letter to you. The University will also reassess your Oxford Bursary entitlement accordingly.

In some cases your regional funding agency may request that you repay maintenance funding already received for a particular term. Alternatively, an overpayment may be taken off a future payment(s) once you have resumed your studies. If you withdraw or an overpayment is still outstanding once you have completed your course, the SLC will contact you to reclaim any overpaid funds.

### 4.3.3 DISCRETIONARY PAYMENTS DURING SUSPENSION

If you suspend for medical reasons, you should continue to be eligible for funding for a further 60 days from the effective date of your suspension. If you believe that your government funding entitlement does not include the 60 days of extended support then you should contact your regional funding agency.

If you can demonstrate that there are Compelling Personal Reasons (CPR) for your suspension, you may be eligible to receive additional funding throughout your period of suspension. You will need to contact your regional funding agency to explain your exceptional circumstances, provide details of the length of the suspension and evidence financial hardship. Please contact your college or [student.funding@admin.ox.ac.uk](mailto:student.funding@admin.ox.ac.uk) if you would like further information on this.

### 4.3.4 IMPACT ON FUTURE FUNDING

If you suspend or withdraw from your course this will impact on the government funding you are entitled to in the future. Even if you leave part way through an academic year, you will be classed as having had access to a year's funding for student finance purposes.

Students are entitled to an extra year's funding on top of the standard course duration. For example, if you are studying on a three year BA course you can receive a fourth year of funding, which you could access if you have to repeat a period of study or if you suspend or change course. If you have already repeated a period of study or studied at another higher education institution prior to coming to Oxford, and have accessed your extra year of funding, you may not be eligible to receive tuition fee or maintenance funding for every year of your course, unless there are exceptional circumstances.

If you want to change your university or course of study, in some circumstances you may also be able to transfer the financial support you get.

We strongly recommend that you discuss future funding implications with your college and regional funding agency if you are making any changes to your studies.

### 4.3.5 RESUMING YOUR STUDIES

If you are resuming your studies in the same academic year that you suspended, the University will inform the SLC so that you receive funding for the remaining term(s) of that academic year in accordance with your eligibility. If you are resuming your studies in a new academic year you will need to submit a new continuing student finance application to your regional funding agency as normal. You should do this as soon as possible after the new application cycle opens (usually from March onwards) to allow sufficient time to be assessed and your entitlement to be finalised, even if you are not returning until Hilary or Trinity term of the next academic year. The University will also reassess your Oxford Bursary entitlement accordingly.

## 4.4 ...I LIVE OUT IN PRIVATELY RENTED ACCOMMODATION?

If you live out of college in privately rented accommodation for any period of time during your course, there are a number of financial points that you need to budget for.

### 4.4.1 SECURING A HOUSE FOR THE YEAR

There are often costs associated with living out. These usually include application fees, a deposit and some agencies will require that the first month's rent is paid before you receive keys to the property. Make sure you check these costs with the agency or landlord before committing to anything.

If you have friends who have lived out they may be able to recommend agencies. For more advice about living out you can contact the Oxford SU Student Advice Service, who publish a *Living Out* Guide alongside giving advice. You can visit their offices on Worcester Street to pick one up, email [advice@oxfordsu.ox.ac.uk](mailto:advice@oxfordsu.ox.ac.uk) or visit [www.oxfordsu.org/wellbeing/student-advice/accommodation-looking](http://www.oxfordsu.org/wellbeing/student-advice/accommodation-looking).

### 4.4.2 BUDGETING FOR EXTRA COSTS

When you live in college accommodation the cost usually covers necessities such as water, gas and electricity. When you live out you will need to make sure you have budgeted for these extra costs as the rent won't usually include bills.

There are a number of bill sharing websites and apps that can be helpful in making sure bills are split equally amongst your housemates. If you can talk to the previous tenants they may be able to give you a more accurate idea of how much bills tend to cost per month.

### 4.4.3 COUNCIL TAX

As a student you do not need to pay Council Tax, but must prove your student status. An enrolment certificate, available from Student Self Service ([www.ox.ac.uk/students](http://www.ox.ac.uk/students)), may be used for Council Tax exemption purposes. If the certificate is posted to the council it must be stamped by the college. If you are taking the certificate to the council by hand, you will need to show your University Card but the certificate will not need a college stamp. If you live with non-students then the household will be liable for Council Tax but this may be at a reduced rate.

## 5. MONEY MANAGEMENT

---

### 5.1 BUDGETING

You should have your basic funding in place at the beginning of each term and the income you receive usually remains the same throughout your time at Oxford. Please note in your final year you may receive a lower level of government funding as you will not be classed as a student over the summer period after you have completed your final exams and assessments.

University can lead to a high degree of impulsive spending; with so many social and academic activities on offer it is very easy to overspend. The following pages offer some suggestions for keeping your finances under control.

*Do you know what your current balance is?*

*Do you know exactly what will be on your bank statement each month?*

*Do you use a credit card only when you know you have enough funds to pay the balance at the end of the month?*

If you answered *no* to any of these questions, we recommend you pay particular attention to the rest of this section and have a look at some of the websites recommended in the useful contact details section at the end of the booklet.

#### 5.1.1 WAYS TO MANAGE YOUR MONEY

- Pay all bills at the start of term, then work out how much money is remaining and divide it between the weeks until your next payment. If you can afford to set some aside you should.
- If you receive funds monthly, set up all your bills to be paid by standing order or direct debit. This should include your credit card if you have one, your mobile phone, and any other regular outgoings. Calculate how much remains for each month.
- If you live out, work out how much you will need for essential bills until your next loan instalment and put that much aside, ideally in a separate account, to avoid spending it.
- Once you have worked out your budget, find a method that suits you best to ensure you do not overspend:
  - Downloading a banking app or checking your bank balance online are good ways to regularly keep check of your finances.
  - Get into the habit of checking your balance when you withdraw money so you know how much you have left to spend.
  - Alternatively, withdraw the amount of money you are able to spend at the beginning of a week, then put all cards away until you can make the next withdrawal.
- Do not use a credit card or store card if you can't pay it back at the end of each month. Failure to pay card bills of this sort will impact your credit rating and may affect you in the future.
- Beware of using contactless card payments for small transactions as these can quickly add up without you noticing.
- Don't get cash out on a credit card as this is one of the most expensive forms of credit and you will be charged interest from the point of withdrawal.

- If you do not have a regular income, think about switching your mobile phone to pay as you go. If you pay monthly, check you have the best contract for your needs; it's worth phoning your provider to discuss this as they sometimes offer better deals if you're thinking of cancelling your contract.
- Don't eat out if you cannot afford it; suggest a meal with friends at home or in college instead.
- Avoid lending or borrowing money from friends.
- Get a vacation job - visit the Careers Service; [www.careers.ox.ac.uk](http://www.careers.ox.ac.uk) and find paid employment in the Long Vacation.

Be realistic about your expenditure, and be honest with yourself about what you are spending and why.

## 5.2 STUDENT BANK ACCOUNTS

If you have not already done so, it is worth looking into opening a student bank account. Although many banks try to tempt students with special offers, these are not the only factors to consider when choosing an account. You may want to think about the following points:

- What is the overdraft facility? This should be interest and charge free. Consider how much is available in each year of your course and when you are expected to pay it back.
- Does it have a branch in Oxford? Bank branches in university cities tend to have Student Advisers with whom you can discuss budgeting and overdraft needs.
- What happens when you finish your course? Several banks provide a graduate account for a number of years after graduation, which allows you longer to pay back any overdraft you have incurred.

## 5.3 EMPLOYMENT AND TAX

During term time you will have very little time for even a part-time job, although there may be opportunities for you to do a limited amount of paid work within colleges. The summer vacation is at least three months long, which gives you time to earn money and gain valuable work experience. The University Careers Service has plenty of information about available opportunities; visit [www.careers.ox.ac.uk](http://www.careers.ox.ac.uk) for further details. In the Christmas and Easter vacations you may also have some time for part-time work, but bear in mind that you are likely to have academic work to complete over the holiday.

For information about how students are taxed when working in the holidays, please visit [www.gov.uk/student-jobs-paying-tax](http://www.gov.uk/student-jobs-paying-tax).

## 5.4 STUDENT DISCOUNTS

Many businesses offer discounts to students, so it's worth asking before paying for goods to make your money stretch a little further.

Many local stores will accept your University Card, however some high street chains might require an NUS Extra Card. These can be purchased via [www.nusextra.co.uk](http://www.nusextra.co.uk) . There are also a number of websites you can register with for access to online student discounts such as [www.myunidays.com](http://www.myunidays.com) and [www.studentbeans.com](http://www.studentbeans.com) .

## 5.5 PAPERWORK

It is important to keep hold of paperwork relating to your finances as you may need it later. You may prefer to keep digital copies as these can be easily accessed when you are at Oxford or at home. If you apply for hardship you will be required to provide copies of these documents.

We would particularly advise keeping records of the following:

- Financial notification letter from the Student Loans Company
- Oxford Bursary letter
- Scholarship and award letters
- Notification of hardship payments
- Tenancy agreement and inventory (if you're living out)
- Battels statements.
