2 COLLECTION OF SECOND TEST VIA THE PORTERS LODGE 48 HOURS AFTER 1ST TEST

3 PROCEDURE TO FOLLOW

- Set out test kits one per student on the table in advance of the student coming in
- One image of tonsils on each table
- On entry student sanitise hands and wipe down seat and table area
- One demonstrator ticks students off attendance list
- One demonstrator talks the students through the process and how to collect their second test
- Both demonstrate how to take the test
- Student takes test and waits 30 minutes at the venue for the result
- If negative collect second test 48 hours after 1st test
- If positive self-isolate and book an EAS test
- Students wipe down seat and table area and dispose of all waste in waste bags
- Demonstrators reset for next session

4 ROOM REQUIREMENTS

- Test kits
- Hand sanitiser
- Disposable wipes
- Hazardous waste bags
- Images of tonsils
- Disposable face coverings
