

NEW COLLEGE

Smoking Policy

Policy effective from 1 July 2007

In accordance with the law all New College buildings and enclosed spaces will be non-smoking.

Implementation

1. The primary objective is to ensure that non-smokers pursue their work activities at the College free from the hazards of tobacco smoke.
2. All areas of the College including bedrooms, common rooms and offices are non-smoking.
3. Smoking will be permitted in designated areas in the College grounds as follows:
 - On the main College site - at the bottle recycling area along the Slype; in the Gardens but not within 5 metres of the buildings (namely, the Old Buildings).
 - At the Sports Ground at the refuse area but not within 5 metres of the residential buildings or Pavilion.

Notices

The appropriate no smoking notices will be displayed in accordance with legislation.

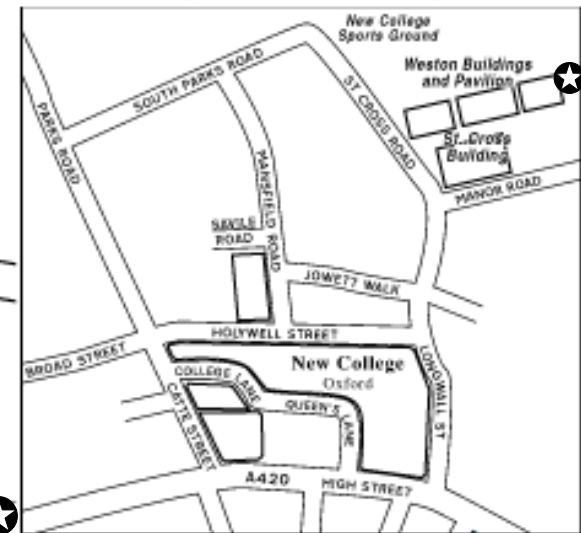

From **1 July 2007** there will be no specific breaks given for smoking.
